# Throughout Camp:

- \* ALL Coaches and Staff are required to wear a mask at ALL TIMES.
- \* ALL Campers are required to wear a mask at all times, except for eating/drinking and any physical activity!
- \* A 6-foot distance will be maintained between the Campers and also from the Coaches, as directed by LA County.
- \* In order to maintain low capacity, Group sizes are reduced to 6-8 campers per Staff member (Dependent upon age group).
- \* For each activity, Campers will be spread out and have a designated space with THEIR OWN station, mats, equipment, materials etc. and will NOT be sharing any of these throughout the day.
- \* There will be a designated area for students who need to attend any school "Zoom" classes. Please provide our staff with your child's class schedule, so that we can ensure that they can attend on time.
- \* Hand washing will take place in between each change in activity/location throughout the day, before and after meals, and if ANY students touch their face etc.
- \* In addition to hand washing, Campers are also welcome to use their personal Hand Sanitizer from their bags at any time, unless otherwise instructed by their parent.
- \* We will have an extra Staff Member present to ensure that ALL used stations, mats, equipment, and tables/chairs will be completely disinfected in between uses, and as often as necessary! Restrooms will also be constantly disinfected throughout the day.
- \* At the end of the day, students will be taken to wash their hands, collect their belongings/backpack then find their designated space (by the Exit door). We will take them, one at a time, from this location to their parent's car in the "Car Line".
